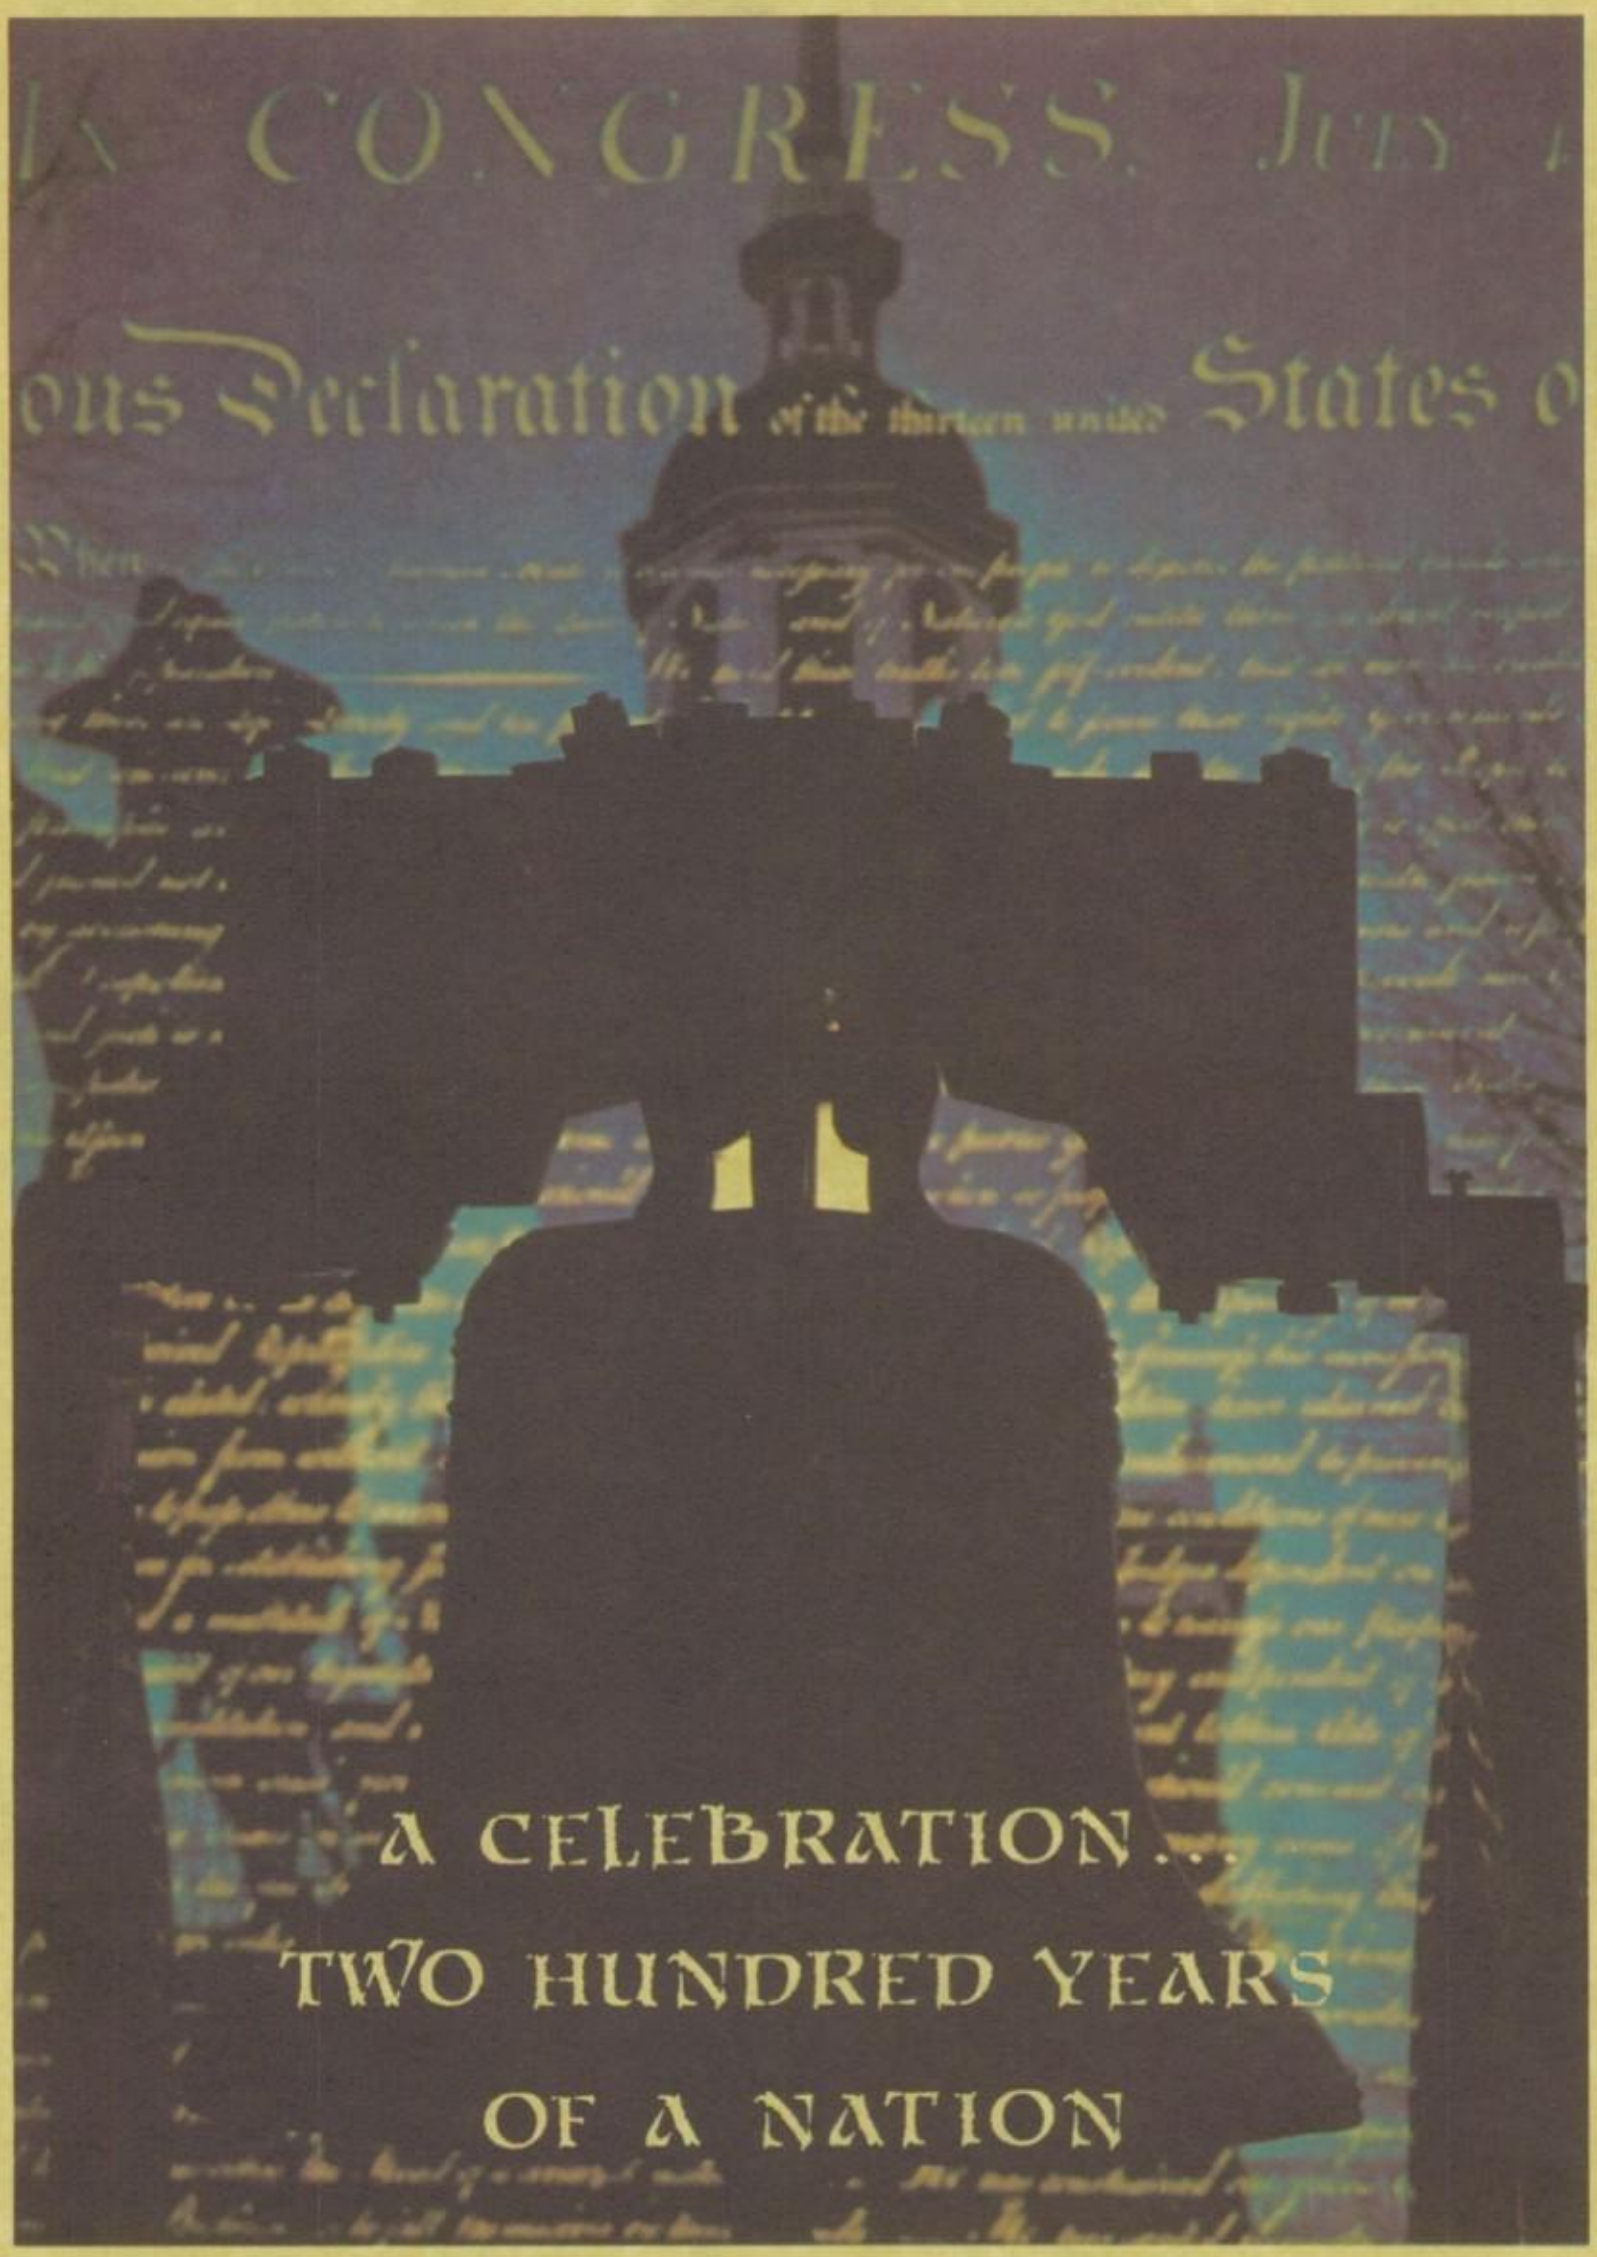
LIBERTY
ASSEMBLY

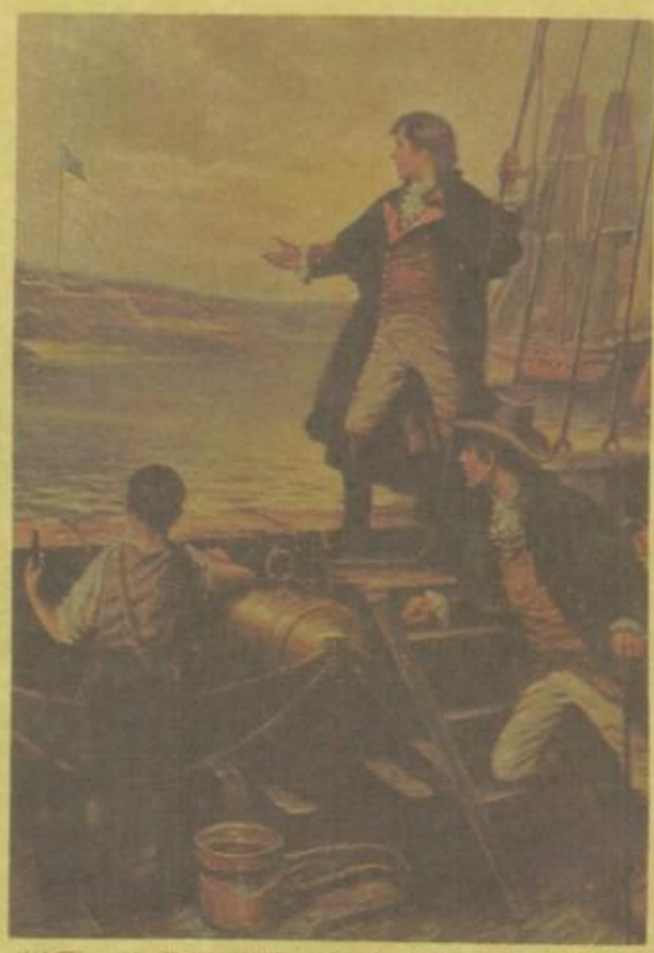


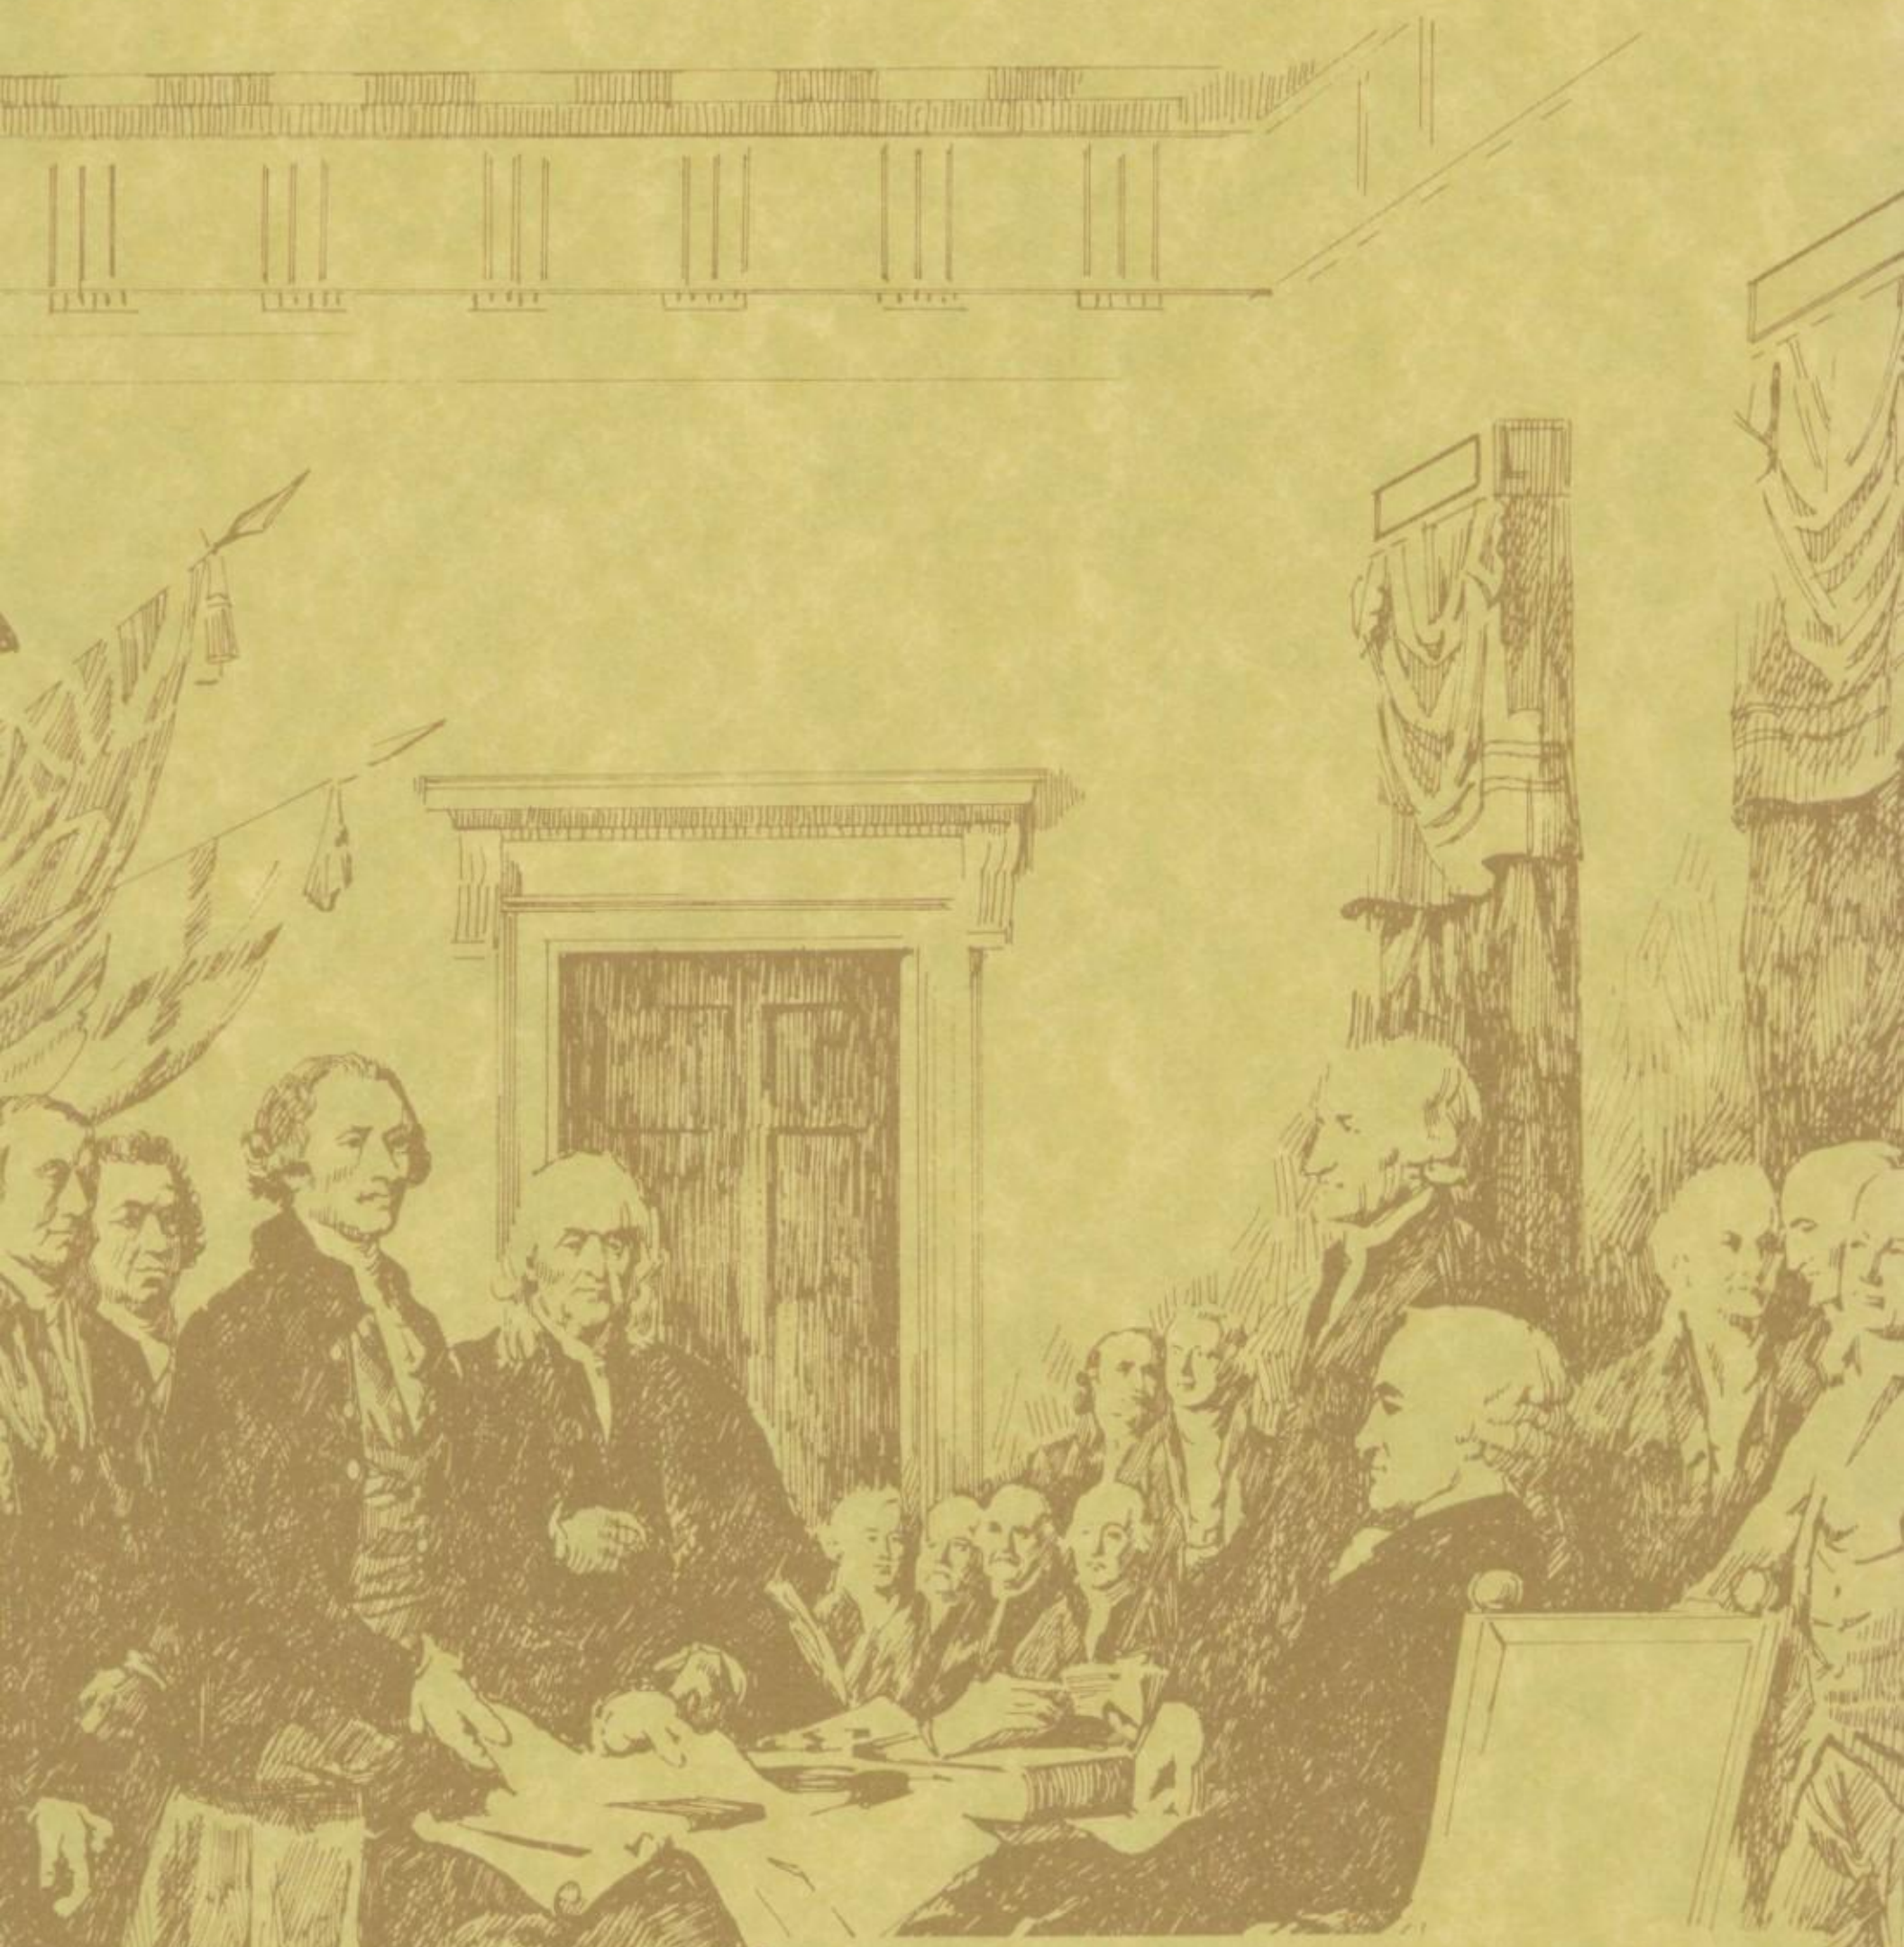
IN CONGRESS, JULY 4
ous Declaration of the thirteen united States o
A CELEBRATION...
TWO HUNDRED YEARS
OF A NATION

The idea of the original thirteen colonies and their leaders was born out of a passion to be free—to chart their own destiny of building a country out of this thin fabric called Freedom.

The break from England was not to come easily, as this fledgling was viewed as a serious threat to the tentacles of the vast and far-flung British Empire.

Patriots rose from every corner of the struggling country. Help came from other European countries to add to the flame of breaking the grip of England. Farmers, fishermen, cobblers and men from every walk of life took up their arms to defend this new-felt right to be free. As the smoke began to clear, ideas on organizing this diversity of colonies into a coalition of united states began to take shape. The form of a Constitution and Bill of Rights was molded by statesmen who previously were nonexistent.





As the word spread in other parts of the world of this new country, with its vast domain and resources, thousands of immigrants poured in to start a new life. With the added growth of population, new frontiers were needed. This stretching brought new conflicts with foreign powers who previously had laid claim to parts of the interior.

As the gangling country continued to grow, internal disagreement erupted into a battle of economic and philosophical differences. The battle was to leave scars which would heal only after generations had passed. Out of the wounds came a stronger fiber of freedom for the individual man. The country had survived as a unit and now its energies would be put to work in rebuilding the founding fathers' ideals.

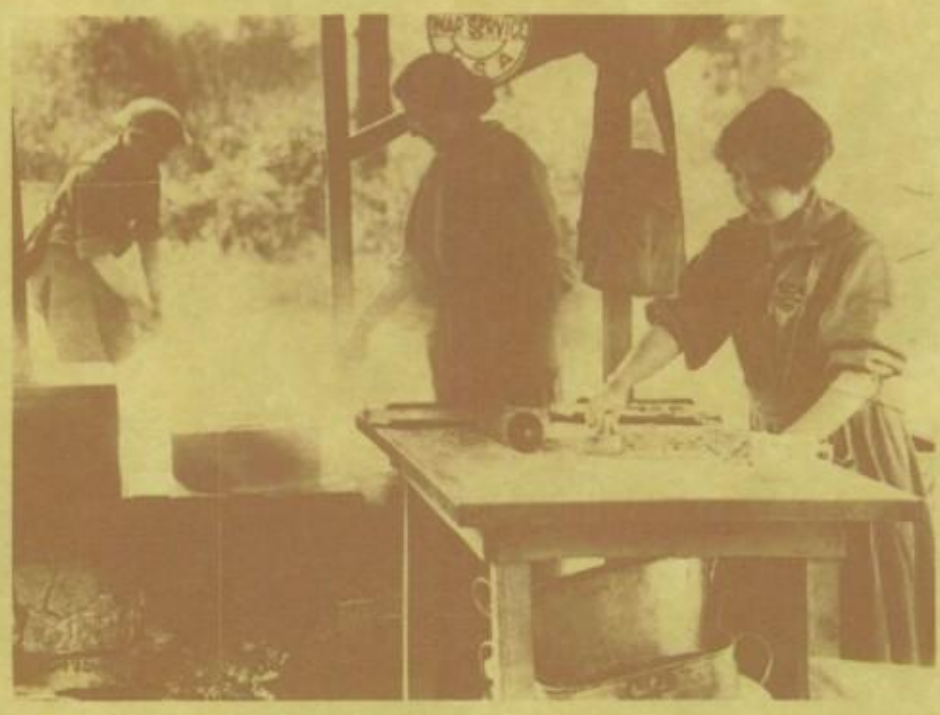
THE RUN FOR HOMES IN OKLAHOMA

The need for new frontiers continued as movement spread West. A rapid explosion of technological advances pointed the country into the fore as an industrialized nation.



As one of the leading industrial nations, this strapping, growing giant became embroiled in the first of the World Wars. After its success with other Allied Nations, a never-before-felt boom and prosperity was followed with the shattering bust of the Great Depression.

New leaders were sought to pull the Country out of its fall, while on the horizon new storm clouds were building across the oceans.

A second World War was fought to protect the cause of freedom, as the now grown giant emerged to take its place as the leader of the Free World. This new role has brought with it—many challenges—many successes—some failures . . . and through it all a spirit for all nations to envy—a burning passion that all men may one day be free . . .

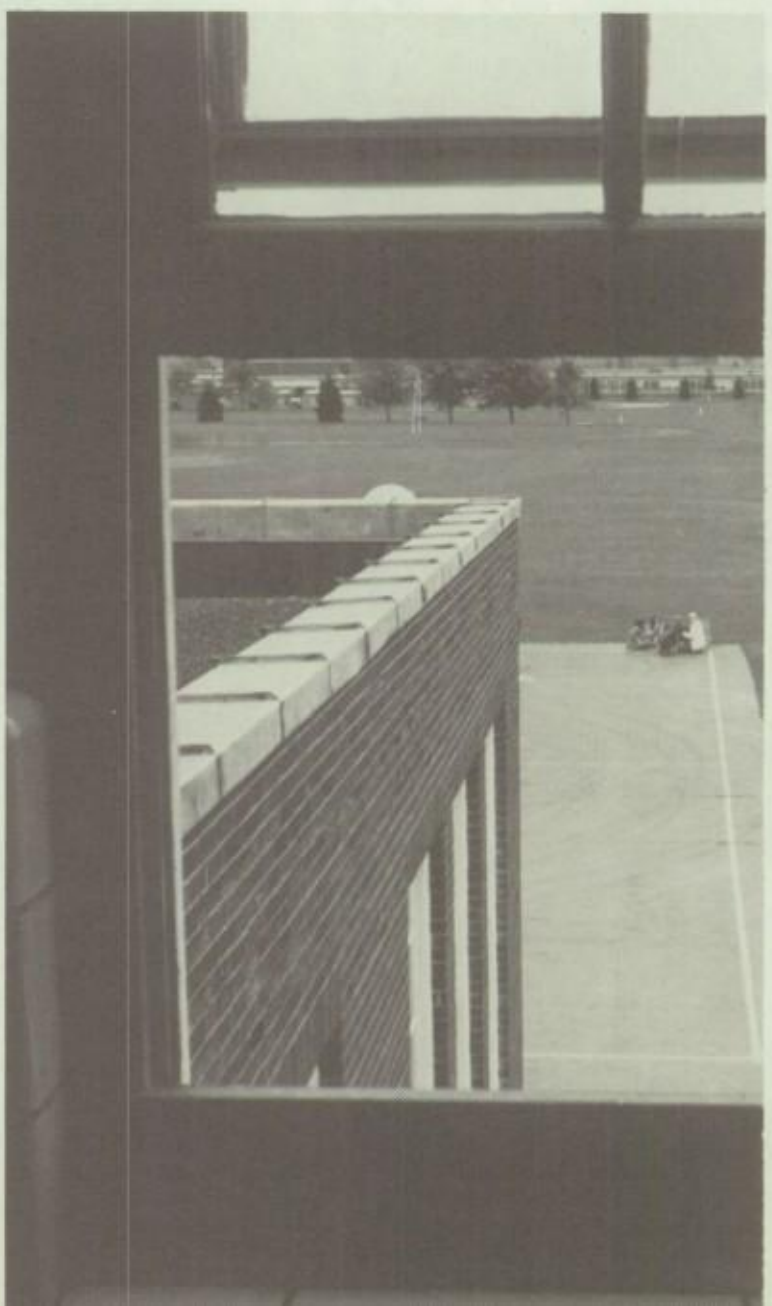
Forward

This is a year for memories, not only as we depart from Wilson Central School, but also as a nation looking back upon our founding 200 years ago. We hope that as you look through our 1976 "Crest" you will find the "smiles" and "memories" of the past year and also the "faded pictures" of a bygone era that has helped us all become what we are today.

Memories
Light the Corners
Of My Mind

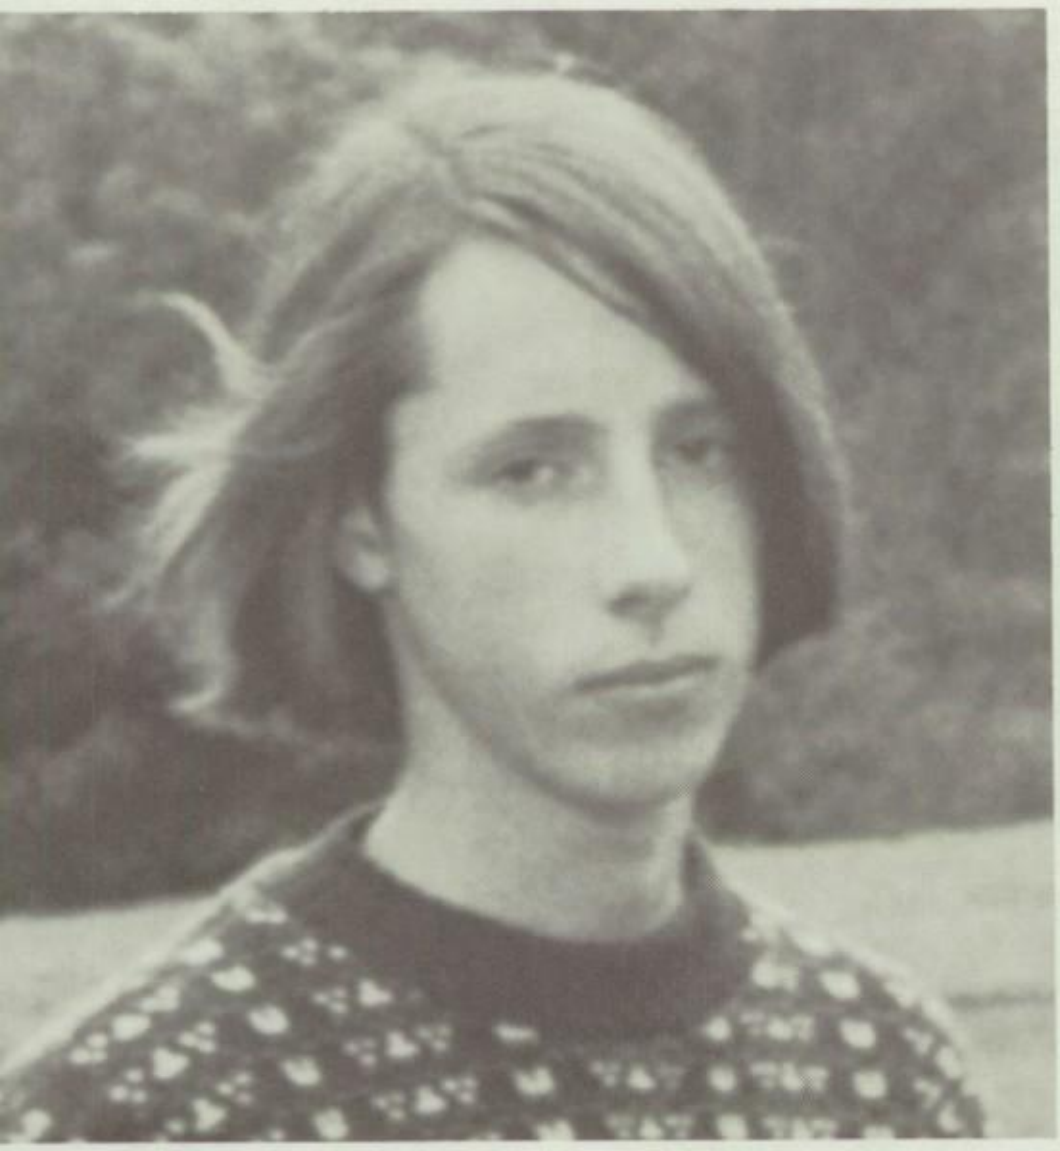
Misty Water Colored
Memories
Of the Way We Were



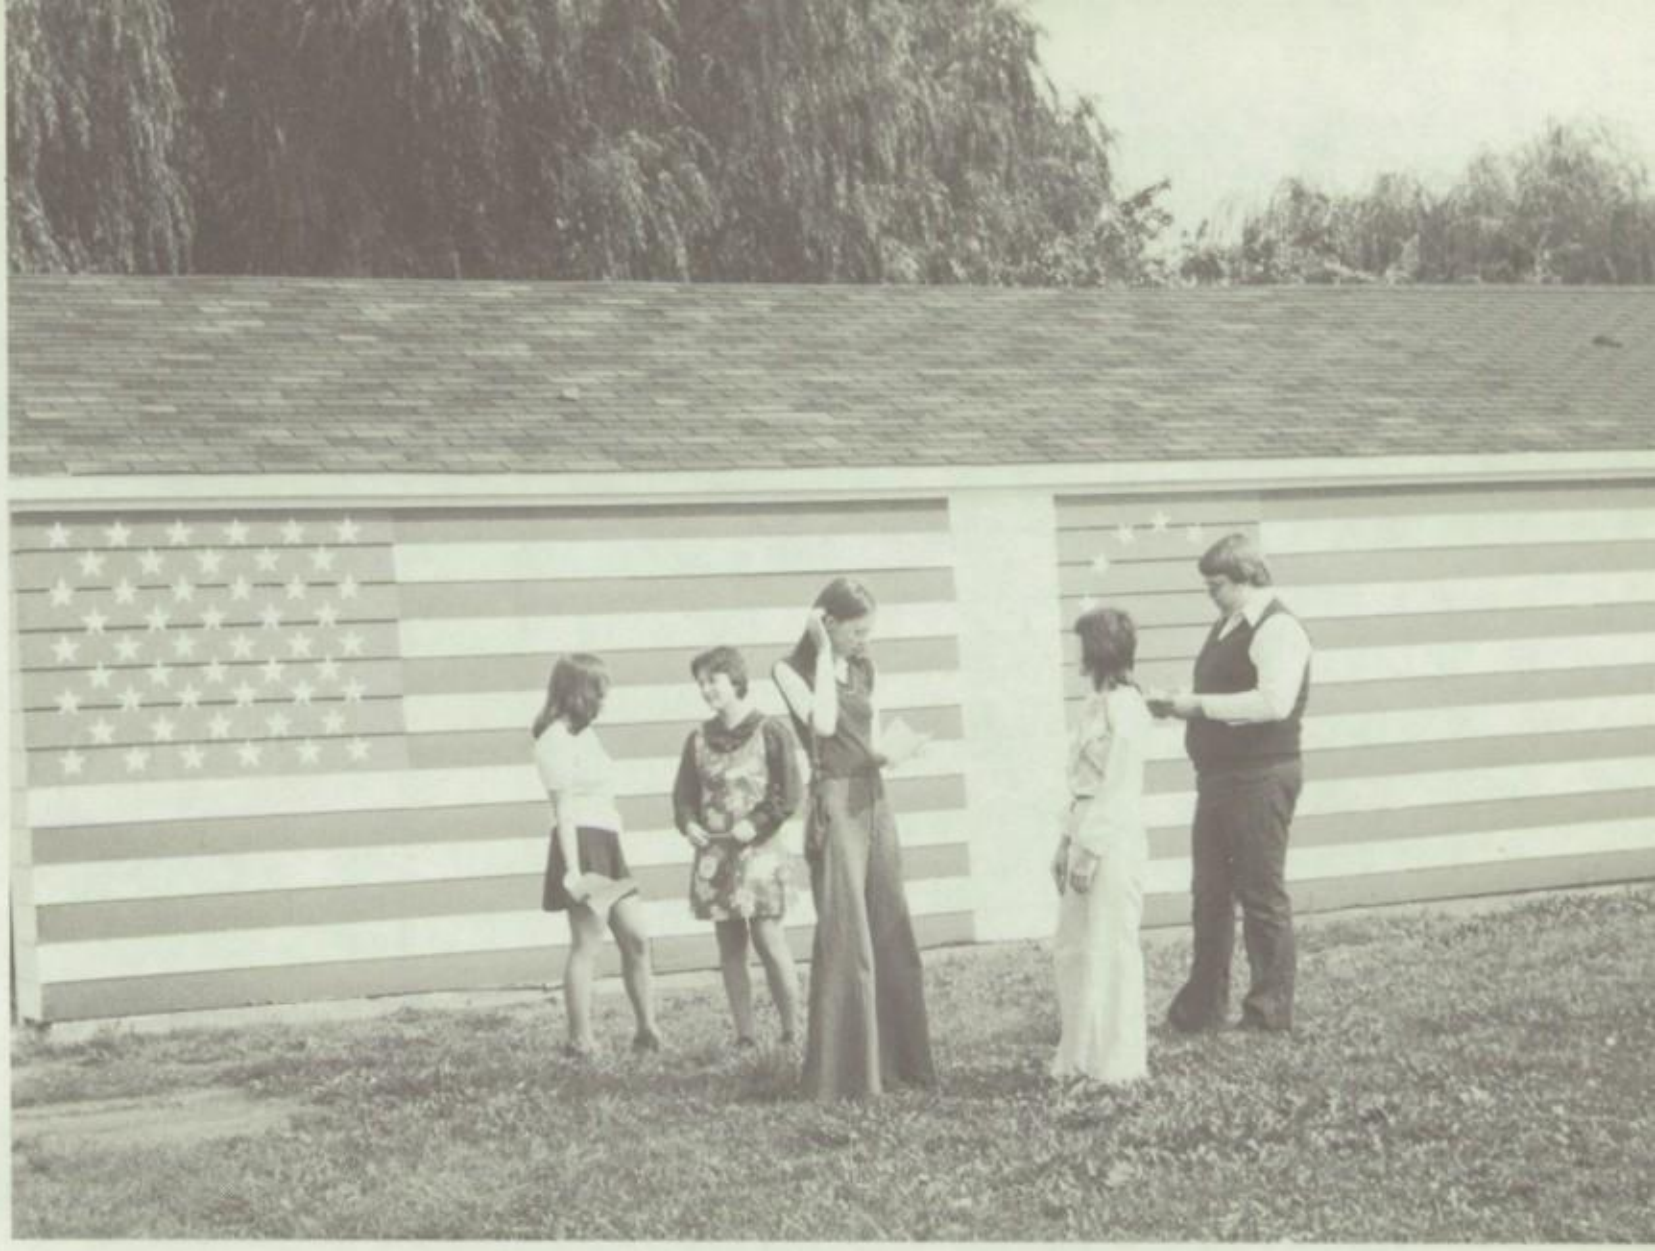
Scattered Pictures of the Smiles We Left Behind
Smiles We Gave to One Another
Of the Way We Were

Can It Be That It Was All So Simple Then
Or Has Time Rewritten Every Line?
If We Had the Chance to Do It All Again
Tell Me Would We? Could We?

Memories May Be Beautiful and Yet,
What's Too Painful to Remember
We Simply Choose to Forget



So It's Laughter, We will Remember



Whenever We Remember
The Way We Were
The Way We Were.

Dedication

Throughout our high school years we have relied upon many individuals to help us and guide us through our many endeavors. But one man stands out above all the rest.

Each of us will personally remember his enthusiasm and determination in making all of our goals a success. He led us firmly throughout our most important Junior years in everything from the Chicken Chowder Sale to the Junior play.

He is the motivator of our class and stands behind us even through the roughest weather. We truly mean it when we say that he's our "Spirit of '76". So, we the graduating class of 1976 have chosen to dedicate our "Crest" to Mr. Gerald Pender.

Faculty

Administrative Staff

Mr. Richard Zipp
Superintendent

Mr. Gordon Bullock
Business Manager

These few people are the force behind our school. They try to iron out all our schools problems. We thank them for their time and effort.

Board of Education

Mr. Bullock, Mr. Kinzly, Mr. Jeffery, Mrs. Goodman, Mr. O'Conner, Mrs. Sporleder, Mr. Seefeldt, Mr. Gamble, Mr. Zipp.

Mr. Fred Voutour
Superintendent of Buildings and Grounds

Senior High Principal

Mr. Thomas Palisano

Every school needs a person that will make the school run smoothly. This person in our school is our Principal Mr. Palisano. He's there when we need him.

Principal's Message

As hard as we try to recapture our yesterdays, we reluctantly realize that we must let them go.

Nevertheless, we are enriched by our experiences of the past. They are our stepping stones to tomorrow. "The Way We Were" is a memory. "What WE Shall Be" is our expectations.

The Junior High needs a person that will prepare them for Senior High. This kind of person is Mr. Johnson.

Mr. Wesley Johnson

Junior High Principal

Mr. Edward Goodnight.

Teacher-Student Coordinator

Mr. Goodnight is the link between student and teacher. When ever a student has a problem with a teacher they go and see Mr. Goodnight and he tries to work it out.

Guidance Department

The members of the Cuidance Department help the students plan their future.

P. A. Staff

Members of the Public Address Staff perform a very important function for the school. Each morning, under the experienced guidance of Mr. Donald Baron, two students announce the day's activities. The members alternate each week and we know their work is greatly appreciated by all.

Gazette Correspondent

This year's Gazette Correspondent is Laurel Graf. Her job is to write a column for the Niagara Falls Gazette, informing the public of the activities happening at Wilson High, including the Christmas and Spring Concerts and Junior and Senior Plays.

Freshmen Class Officers

This was the first time for the Class of '79 to choose leaders for their class. Their responsibility is to unite their class together and establish good working habits for their future years at W.C.S. with their display of enthusiasm and the cooperation from the entire class, this year will prove to be prosperous for them.

Sophomore Class Officers

Row 1: Irene Preisch—President, John Moley—Vice-President, Dennis Hogan—Secretary. Row 2: Doug Thompson—Treasurer.

Being the "middle man" of the Senior High is not always the most enviable position. This is the year that they really must start to act as a class and get it all together. A special few are chosen to be their officers and they must lead their classmates and promote class projects. They attempt to implant "class spirit" into their classmates that will remain with them not only during their high school years but also in the future.

Junior Class Officers

Row 1: Melanie Stacey—Secretary, Dianne Parry—V. President, Diane Thilk—President. Row 2: Kim Canfield—Treasurer.

With the leadership of their officers the Junior Class is preparing for their final year together. Striving for a successful financial year the Juniors took an active part in their first magazine sale. They also purchased their class rings and participated in the Jr.-Sr. Prom. But their biggest accomplishment was undoubtedly the friendship that developed within the class.

Seniors

Senior Class Officers

Row 1: Dan Parker—President, Jack Baker—Co-Vice President Tim Hibbard—Co-Vice President, Ruth Lester—Secretary. Row 2: Keith McCabe—Treasurer.

The Senior Class Officers are considered the most important ones in the High School years. And our 1976 class officers have worked together and helped each other to form a tie within our class. The Class of 1976 will always be thankful for their continuous dedication and hard work organizing a successful Senior Year.

Class History

KINDERGARTEN:

It really started! Our first big day away from mom. We were the first Kindergarten in the Thomas Marks Elementary. Sleeping on rugs, milk and cookies were the high points of the day. Learning to manipulate those big pencils, (we really gave them the old death grip) trying to write our names. The whole thing created a major problem.

FIRST GRADE:

A full day of school started for us. We all looked forward to show and tell. None of us could remember to start writing on the left side of the paper to the right side. We now became experts at fingerpainting. It was great fun to read the exciting adventures of "Dick and Jane", and reading "See Spot Run. Run, run, run."

SECOND GRADE:

We advanced into longer books this year, like Gerri's favorite "Little Toot the Tugboat". In class we got to read books, and the more books you read the more prizes you got. We made funny animals out of paper mache, and got more paper mache on ourselves then on the animals.

THIRD GRADE:

Bigger projects seemed to enhance us, like the time we shook our brains out making butter. We were expert bubblegum chewers, and to prove it we made a bubblegum mural in the cafeteria, and after 9 years, it's still up!

FOURTH GRADE:

How could we forget the games we played in the library and how Mrs. Crawford would make little book markers and give them to us as the prizes. One day Mrs. Neumann's whole class got sent to the office, first all the girls, then all the boys. That was our first big trip to the office.

FIFTH GRADE:

It was the first year to ever change classes for Reading and Math. We had a field trip to Fort Niagara. We finally had our first "social occasion" it was a dance in the gym. But we had a slight problem, all the girls sat on one side and all the boys sat on the other side, and nobody danced!

SIXTH GRADE:

We finally made it to the top, we were the oldest in the school. Our class went to the Buffalo Museum of Science to examine all the stuffed things, fossils, and the human body, which was a big mystery to us all. Puppy Love was blooming and crushes on teachers developed—along with other things. Mrs. Nichols class went to the Southerntier we went to a maple sugar farm, chocolate factory and cheese factory. Wilson and Ransomville faced the competition at the annual track meet, and finally after six years, Ransomville beat Wilson. We had our orientation at the big High School and were ready to be called "the little Seventh Graders'."

SEVENTH GRADE:

Once again on the bottom! Wilson and Ransomville kids actually became friends, instead of competing and feuding. We elected our first representatives to Jr. High Student Council. Close ties and loving friendships were made.

EIGHTH GRADE:

We finally stopped being called "The Little Seventh Graders" We all looked forward to Mr. Tyson's Science class, with the Science Fair and project "clean-up" on Environment Day. We planted trees so when they got big we could tell our kids, that our class planted those trees. But over the summer, the janitors mowed them over because the trees were so small that the janitors didn't know that they were there.

NINTH GRADE:

We became the mighty Freshman Class. The Science classes went to the Ontario Science Center, we had fun getting lost! We must have wore out more batteries from all the parties at Dave's house. We had our first class picnic at school in the back. We haven't dried out yet!

TENTH GRADE:

The Sophomore year was our first time in Senior High Student Council. Poor Mr. Hartz and all those frogs we disected. This year we attended a lot of parties, and ROTATE was the consequence. Our class picnic was at Joesph Davis Park. It was a really hot day, with a big pond that was PROHIBITED to swim in. But Gary jumped in, and everybody followed. Those who didn't, got buckets of water over them.

ELEVENTH GRADE:

"Big Rock at Candy's Mountain" was a success! And how could we forget the party afterward at Club 97? As the Junior Class, we received our class rings, and everybody talked with their hands. Our class picnic was in the Southerntier. In a little creek, we all got baptized in the class of '76 with Preacher Duck lips performing. We all realized that 1976 was not that far away, and soon we would graduate.

TWELFTH GRADE:

All our goals and hopes finally came true, at last we are Seniors. The year started with a beautiful homecoming float, a homecoming football victory which made us number one in the league, and the powder puff game. The magazine sale was of course a success. We realized that we were actually doing everything for the last time. Our last magazine sale, last play, last dance, last football game, and our last, last day of school. There are so many good times that we will never forget and our friends that made it all possible. And when we go our separate ways, we will know that school was more than just a place to learn, it also seemed like a trusted friend, after all, it made us what we all are today.

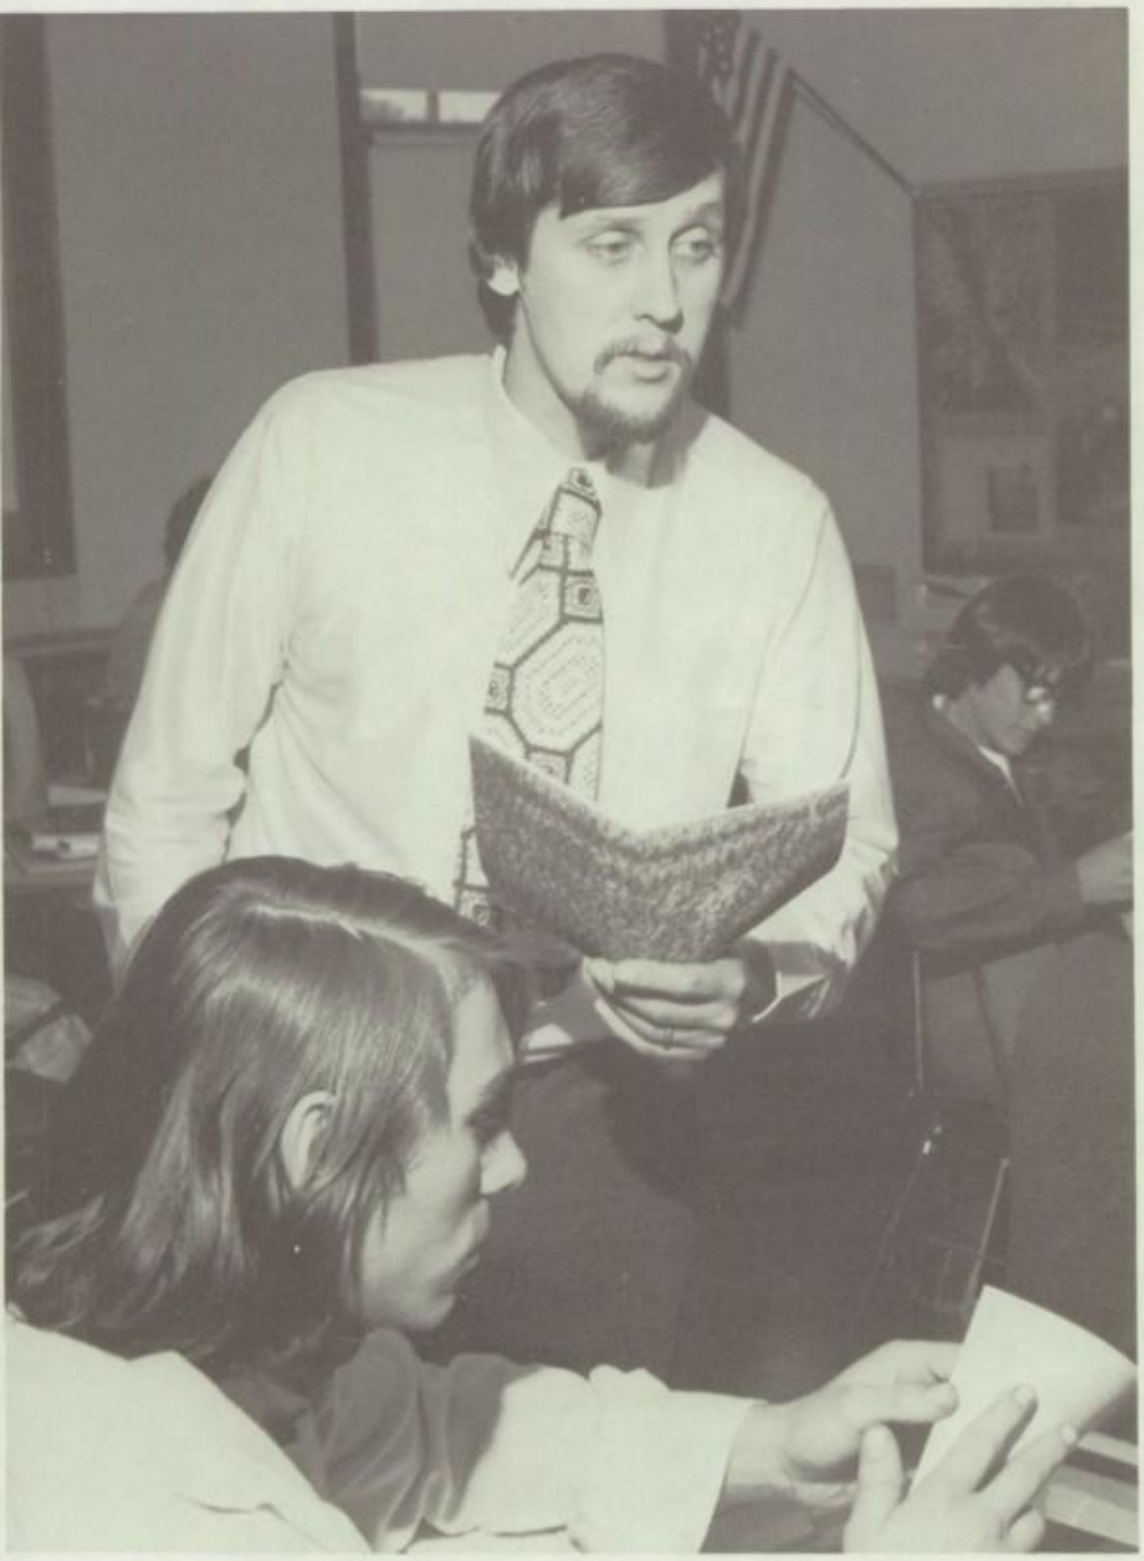
Those school girl days
Of telling tales and biting nails are gone.
But in my mind,
I know they will still live on and on.
But how do you thank someone—
Who has taken you from crayons to perfume?
It isn't easy but I'll try.

The time has come
For closing books and long last looks must end.
And as I leave,
I know that I am leaving my best friend.
A friend who taught me right from wrong,
And weak from strong, that's alot to learn.
What can I give you in return?

Those awkward years
Have hurried by, why did they fly away?
Why is it sir?
Children grow up to be people one day.
What takes the place of climbing trees?
And dirty knees in the world outside?
What is there for you I can buy?

To Sir With Love
Don Black & Marc London

In Appreciation



Throughout our six years at Wilson Central, we have relied on many people for support on our way up the ladder of life. One such individual is Mr. John Eberhart.

Starting out as freshmen, inexperienced, but ambitious, Mr. Eberhart advised us during our most trying time, and continued on as our faithful leader through our sophomore year. It was he who made us realize that, only working as a whole could we be a success.

Many of us know him as our English teacher, through his patient guidance and understanding, we have learned to almost like Thoreau and Milton.

But, more than just a teacher and advisor, Mr. Eberhart has been a friend. He has been there to help and to listen; to advise us, and encourage us to do the best we can, and aid us in becoming responsible adults.

To you, Mr. Eberhart, the Class of 1976 extends our sincerest thanks and deepest appreciation for your faith and confidence in us, throughout everything.

Foreign Exchange Student

This Year W.C.S. has been lucky to have as our foreign exchange student Masumi Katsuura, from Kyoto, Japan. While she is here, she has been living with the Berne Kent family. She is studying English, and loves music and art. At her school, she is interested in Abacus. She thinks America is beautiful and there is not anything here that she does not really like. She said that many people think that Japan is not modern and they follow old traditions, but actually, it has very high standards and is much like the United States. She has made many new friends, and extends a warm welcome to them to visit her country.
